Welcome To Nutal Lifesciences (Unit Of Vee Remedies)

Came in existence in the year 2007, we, "Nutal Lifesciences (A Division of Vee Remedies)", are considered to be one of the leading Supplier & Dealer of Franchise and PCD of the premium quality of Pharmaceutical Tablets, Capsules, Paediatric Drops, Eye Drops, Nasal Drops, Ear Drops, Dry Syrup & Paediatric Syrups. The offered ranges of these products find vast applications in medical industries. Their accurate composition and highly effectiveness make these products highly appreciated and demanded in the market. We are offering these products at leading market prices to our esteemed customers.

Owing to our large storage capacity, we have been able to take and deliver the bulk demands in timely manner. The

offered products are available and offered by us in user-defined specifications to meet their needs and demands. Quality of the presented range of products is never compromised, by following total quality management at different phases of production. To achieve our organizational goals, we are fully supported by our highly efficient and talented workforce.

Under the valuable supervision of our mentor, Mr. Vinay Gupta (Proprietor), we have been able to attain a vast clientele across the globe. In addition to this, we have obtained a commendable position in this domain, due to his rich knowledge and years of industry experience in this domain.
