Welcome to Oasis Laboratories Pvt. Ltd.

OASIS LABORATORIES, was established in the year 1980 to enter into the manufacturing and marketing of pharmaceutical formulations. The company is currently bestowed with the GMP & ISO - 9001 - 2000 Certifications for its commitment in making quality medicines available to the masses. The company is engaged in the manufacture and sale of tablets, Liquid and capsules and have been supplying products to semi-regulated and non regulated markets across the globe. The manufacturing plant is situated in Dehradun, India and manufacturing is done under strict GMP WHO guidelines to ensure high manufacturing standards to produce high quality products. We visualize ourselves as an aggressive player in the global pharmaceutical scenario, with increasing focus on innovative research and developing markets and creating new opportunities of growth in our strategic business.
