Welcome to Odin Health Care Private Limited

Odin Health Care Private Limited is a trusted company that makes and markets medicines across India. We have WHO-GMP approved units where we manufacture tablets, capsules, syrups, suspensions, softgels, injectables, ointments, and nutraceutical products, all under strict DCGI quality rules. Along with manufacturing, we also market our own branded medicines in many segments like cardiac-diabetic, orthopaedic, paediatric, gynaecology, general medicine, and nutraceuticals. We support PCD franchise partners, distributors, and new pharma startups by giving them good promotional material, monopoly rights, and full marketing support. We also provide complete third-party manufacturing services with low minimum order quantities,

clear pricing, and honest business dealings. Our goal is to provide good-quality and affordable healthcare products by following ethical manufacturing, simple processes, and long-term partnerships.
