Olimeds Pharmaceuticals Pvt. Ltd.

The Olimeds Story: The company's name is derived from the olive tree, Olea europaea. The olive trees in the groves around the Mediterranean Sea are known to be centuries old, with some dated to 2000 years. Olive tree, like neem tree (Azadirachta indica), has innumerable health benefits. Oliver word signifies fruitfulness and wellbeing. The branch of an Olive Tree symbolizes peace. This is exactly what Olimeds Pharma is trying to give to the society – Good Health and Fruitful Life. Olimeds Pharmaceuticals is trying to solve the problem of affordability and accessibility of quality new medicines in India. All of our products are manufactured in WHO-GMP approved manufacturing facilities and undergo rigorous quality testing as per Industry standards. Quality and Affordable medicines are the rights of every human being. Olimeds Pharma is striving hard towards the goal of India as 'The Pharmacy of the World'. Olimeds Pharma currently has three divisions- Obstetrics and Gynecology, Infertility and Nutraceuticals. For a complete list of our products, you can write at info@olimeds.com.
