Welcome to The Omkar Herbo Care

The Omkar Herbo Care was founded at Phursungi, Pune in 2001 by Mr. Holkar who are the Growers, Manufacturer, Suppliers and Service Providers of Ayurvedic Products in India. We can supply in bulk quantity also. The Omkar Herbo Care is G.M.P. certified and ISO is one of the market leaders in Ayurvedic Medicines, Herbal, Health Care and Skin Care Products. The company has carved its distinct position in the domain, due to its high-quality production. With the help of our ethical business practices, the company has been successful in earning the faith of the clients. Having its basic aim of 'providing natural products' to the client, the company has its basic dealings in natural products such as Aloe vera, Amla etc. The company has received great appreciation from the clients and this has been the result of joint efforts made by our professional team. With our efficient management, we have easily catered varied requirements of our client located across the nation. As all our products are processed under a clean and hygienic atmosphere, they are greatly demanded in the market.
