Welcome To Orison Pharmaceuticals

Established in the year 1988, we "Orison Pharmaceuticals" are the leading manufacturer, exporter and supplier of a quality-assured range of Pharmaceutical Tablets, Pharmaceutical Capsules, Oral Suspension, Pharmaceutical Syrups, Pharmaceutical Drops, Pharmaceutical Injectables, Eye Drops, etc. We process these products using high grade chemical compounds as per the set medical standards. The chemical compounds used in the processing of these products are sourced from the reliable and certified vendors. Also, the offered products can be availed in different specifications in order to meet the varied demands of clients. The offered products are extensively demanded in the market owing to its salient features such as zero side effects, long shelf life, high effectiveness and outstanding results. Clients can also avail the offered products from us at market leading prices. Backed with advanced infrastructural base that is located at Ambala (Haryana, India), we have been able to conduct smooth processing of these products. Segmented into units like processing, quality testing, etc., this facility is equipped with hi-tech machines. Also, we upgrade our infrastructural base in order to carry out smooth operations. We have hired a team of diligent professionals that supports us in maintaining our position as one of the renowned manufacturers in the market. Their untiring efforts and commitment towards the effective production has propelled us to the zenith of success. Working in close coordination with each other, they ensure that every step of process is completed as per defined standards and with utmost ease. Being a quality oriented organization, we work towards offering flawless products to our clients. Our products are stringently tested for any discrepancy on well-defined parameters so that we offer only flawless consignments. The offered products are tested

on parameters like quality, performance, etc. We are well-known among our clients because of factors like timely delivery, vast distribution network, ethical business practices and transparent dealing. Under the leadership of our Managing Director, Mr. M. Goyal, we have been able to gain vast popularity in the industry. His motivation helps us increase our knowledge and skills for optimum production with premium quality.
