Welcome To Othantic Pharmaceutical Pvt Ltd

Othantic Pharma is supplier and service provider of pharmaceutical, nutraceutical and ayurvedic products. We offer high level of service and provide full balance of value services to our clients such as hospitals, retailers, organizations or distributors. Our range of products include pharmaceutical finished products like Tablets, Capsules, Dry Powders, Liquid Orals, Sterile products, Soft gels, Dental Range etc. To ascertain the quality of our products to be safe and effective we undertake numerous stringent measures. Our team of expert quality analysts conducts the quality survey for each product. We use our richness in domain experience to be perfect in terms of quality, purity, effectiveness and composition. We are able to stand spaced out from our counterpart due to our motivation, ethical

business policy and industry experience.
