Welcome to Ozzylaberon Ozzylaberon

Ozzylaberon is IndianOzzylaberon company located in Trivandrum, Capital city of Kerala. Globalization and economic liberalization have given Kerala a boost for many pharmaceutical industries. This initiative will not only boost the pharma production but also increase the exports of pharmaceuticals products. We want to make Kerala as the manufacturing hub base for bulk drugs and formulations. The cluster will turn out be a global pharmaceutical hub for production, research, marketing, employment etc. The nodal agency for the development of industrial infrastructure in the state|(KINFRA), has set up a Pharma Park in Kochi under the Micro and Small Enterprises-Cluster Development Programme (MSE-CDP) of Government of India
