Welcome to Param Ayurvedics

Established in the year 2004, we have managed to carve a reputable niche for ourselves in Manufacturer, Wholesaler and Exporter a wide range of Ayurvedic Capsules, Ayurvedic Syrups, Ayurvedic Tablets, Ayurvedic Cream, Ayurvedic Oils and Poultry Feed Supplement etc. All these medicines are made using pure herbal components that are procured from knowledgeable vendors of the market. There is a huge demand for these as an alternative medicine, and we take great pride in introducing these Indian phenomena to our widespread clientele. We have achieved great fame for our 65 patented products that are highly demanded by our customers. Processed as per the guidelines laid down by Ayurvedic experts, and adhering to prior decided formulations

and registration, these medicines are made at our state-of-the-art facility. With due regard to strictures of well-known specialists, we strive to apply the philosophy of “Arogya” to the human mind and body. Our unique approach to curing human health problems without any side-effects has made our offered products a popular alternative to allopathic medicines. Moreover, we practice great care and devotion in all the production processes ensuring that these are safe for human usage. Our team of quality auditors conducts stringent tests on end-products, and guarantee their benign nature and easy receptiveness. International quality guidelines are followed strictly, along with adherence to medicinal norms of diverse countries.
