Welcome to Parker Robinson Pvt Ltd

Parker Robinson Pvt Ltd is one of the leading Pharmaceutical Company preparing mainly Derma Medicine in India, headquartered at Kolkata in the state of West Bengal. The factory is located about 6 km from the Central Kolkata. Skin disease is one of the most prevalent diseases in developing countries, and ours, is of no exception. The wide variation in climatic conditions together with the socio-economic condition of the people is the roots of this discomfort. Keeping all these factors in mind Parker Robinson Pvt Ltd., a Company, founded in the early eighties started its venture in the Pharma Industries helped by the only "School of Tropical Medicine, Kolkata".
