Welcome to Pegasus Farmaco

Pegasus Farmaco India Private Limited is one of the fast growing pharmaceutical companies based at Hyderabad, India, involved in manufacturing and marketing of branded as well as generic pharmaceutical formulations. It is one of the established Contract Manufacturing Services Provider. The product portfolio includes wide range of quality formulations across all segments in the form of Capsules, Tablets, Syrups, Drops, Ointments and Injectables. Quality formulations at affordable price as the USP of the Company, it has spread its wings across all major states of India. While all the company's brands are established in the market, few of its brands figure in the top sellers in their respective segments. Having been a successful and trusted brand for a more than

decade of its operations, within a short span after it made foray into Contract Manufacturing Services, Pegasus Farmaco has won the applauds from the clients for its State-of-the-art manufacturing facilities
