Welcome to Pharma Chemico Laboratories

Pharma Chemico Laboratories is a Solan (Himachal Pradesh) based Pharmaceutical Medicines Manufacturer and Supplier. It offers highly effective and pure Pharmaceutical Injections, Pharmaceutical Syrups and Pharmaceutical Tablets. Pharma Chemico Laboratories has become synonymous with unique formulations and multi-dimensional growth, with a GMP and GLP Certified manufacturing facility at Solan, Himachal Pradesh. The company is running very smoothly with the capable guidance of Mr. Chiranjeev S. Sethi (Managing Partner). Our Mission, Vision , Values: We assist with world-class healthcare products that improve lives and deliver outstanding values to our customers in the majority of Therapeutic Segments and dosage forms to improve the health quality of the ailing and deliver outstanding values to all users. Our Mission: To redesign the national health care system by providing high-quality products for ultimate customer satisfaction. Our Vision: Our vision is to become India's most trusted third-party manufacturing company and lead the way to a healthier world. We follow our vision in every department of our organization. Very shortly, we wish to be recognized as the best Service Provider of pharmaceutical services.
