Welcome to Pharvax Biosciences

Pharvax Biosciences – Leading PCD Pharma Franchise Company in India

Pharvax Biosciences is the fastest-growing ISO-certified PCD pharma franchise company in India, offering exclusive monopoly-based franchise opportunities across the country. Headquartered in Chandigarh, they are known for delivering high-quality, affordable pharmaceutical products manufactured at WHO-GMP-approved facility.

With a wide therapeutic range, competitive pricing, and full marketing support, Pharvax Biosciences is the ideal partner for pharma professionals, distributors, and entrepreneurs looking to grow their business in a specific region under monopoly rights.

WHO-GMP Certified Manufacturing Facility

Pharvax Biosciences owns a WHO-GMP-certified manufacturing unit, ensuring complete control over quality, consistency, and timely delivery. Their in-house plant allows us to offer products that meet international quality standards at highly competitive rates.

Each batch undergoes strict quality checks and is packed in tamper-proof, export-quality packaging to maintain shelf life and presentation standards.

Monopoly-Based PCD Franchise Model

They offer monopoly rights-based PCD pharma franchise opportunities across all Indian states and districts. You get complete control over your selected territory with no internal competition from our side.

Franchise Benefits:

- Exclusive monopoly rights for your area
- Low initial investment with high profit margins
- No monthly sales targets
- Regular new product additions
- Prompt delivery with efficient logistics
- Product promotional support (MR bags, visual aids, reminders, etc.)

Our model is ideal for both experienced pharma professionals and new entrants with a valid drug license who want to establish a successful business in the pharmaceutical sector.

Wide Range of Pharma Products

Pharvax Biosciences offers a diverse and expanding product range covering multiple therapeutic segments, including:

- **Tablets & Capsules:** Antibiotics, Antacids, Painkillers, Anti-Allergic, Cardiac, Diabetic, Neuro, Gastro, etc.
- **Syrups & Dry Syrups:** Pediatric, Digestive Enzymes, Cough Syrups, Liver Tonics, and Multivitamin formulations
- **Injections:** Antibiotic and Non-Antibiotic injectable products
- **Ointments & Creams:** For skin, anti-inflammatory, and fungal treatments
- **Drops & Sachets**
- **Nutraceuticals & Ayurvedic Range**

They regularly update our product list with new DCGI-approved molecules to help you stay relevant and competitive in your market.

Marketing & Promotional Support

To help you build a strong market presence, they provide high-quality promotional materials:

- MR Bags
- Visual Aids
- Product Cards
- Reminder Cards

- Sample Catch Covers
- Prescription Pads
- Digital Marketing Creatives (on request)

Our goal is to make sure that our franchise partners have everything they need to reach doctors, chemists, and healthcare professionals with confidence.

Professional Team & Ethical Business Practices

Led by an experienced management team, Pharvax Biosciences stands for ethical business practices, complete transparency, and long-term partnership. They treat our associates as partners, offering personalised support for order placement, documentation, and marketing planning.

They are committed to maintaining a smooth franchise experience with dedicated relationship managers, fast response time, and end-to-end franchise assistance.

Why Choose Pharvax Biosciences?

- ISO 9001:2015 Certified
- WHO-GMP Approved Plant
- Wide Range of 100+ DCGI-Approved Products
- Exclusive Monopoly Rights
- Competitive Pricing for Better Margins
