Welcome to Phytologix Life Sciences

We offer quality products at reasonable rates and deliver these within the promised time-frame. We at Phytologix Life Sciences are leading Manufacturer of a wide range of Nutraceutical & Ayurvedic products including Tablets, Capsules, Liquid, Sachet & Protein Powders Situated in Chandigarh (Mohali , India), we have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company. we have gained a huge clientele across the nation. We believe in marketing good quality products which are tested in quality control laboratories which are fully equipped with state of art instruments like high performance liquid chromatography system(WATERS), Gas chromatography system(HP), ultraviolet spectrophotometers(SHIMADZU), Infra red (PE) & other laboratory instruments. Company has built excellent infrastructure, with automated machines which do have the capacities to manufacture products at very bulk quantity with all the sections. The company focuses on providing high quality, affordably priced products to its customers and supports all these with dedicated customer service. We are working for the complete development of products right from the R&D to the launch in the market. This is all done with innovative technologies along with the hard work and efforts of our staff and experts.
