Welcome To Pinarc Lifesciences

Established in the year 2013, we “Pinarc Life Sciences” are a Partnership firm, engaged in Manufacturing and Supplying a reliable range of Pharmaceutical Injections, Pharmaceutical Syrup and Pharmaceutical Tablets. We are renowned for our high quality standards, hence process these products using premium quality chemical compounds and advanced techniques in adherence to set medical industry standards. The offered medicinal products are highly demanded in the market for their features such as quick effect, long shelf life, safe consumption and no side effects. These medicinal products are provided in excellent grade packaging options as per the varied demands of our esteemed clients.

Moreover, we offer these pharmaceutical medicines to our

clients at reasonable prices and within the promised time frame. Different drugs offered by us mainly formulated from WHO and GMP certified plants and they are utilizing high grade ingredients and modern machines in strict standards.
