Welcome to Pradhan

The Pradhan Group of companies is a conglomerate of strategically aligned businesses engaged in manufacturing, exporting and supply of premium range of fragrances, perfumes, incense sticks, dhoops etc. The group is also into manufacturing and exports of herbal extracts,cosmetics and herbal medicinal products. The Pradhan group of companies was established as a manufacturing company in 1972 producing high quality incense sticks. The entrepreneurial spirit that the company espouses has brought forth enormous growth to the company. Its history has turned out to be a successful journey, as the company has been able to identify its competencies in multiple industries and diversify successfully while retaining its values and entrepreneurial spirit. The company's transition from an isolated manufacturing firm into a well diversified group of companies catering to a wide range of consumers emphasizes its commitment to sustainable progress.
