Welcome To Prakriti Herbals

At Prakriti Herbals, We believe in the Vedanta philosophy, which emphasizes that nature has always provided an abundance of plants, roots, flowers and herbs rich in vitamins, enzymes, proteins and minerals that have been used in body and skin-care from time immemorial. “Prakriti Herbals” was borne out of this commitment to serve humanity through the genius of Ayurveda.Founded in 1995, the brainchild of Ms. Neeta Adappa (M Pharm), "Ayurglow" is a veritable treasure trove of natural herbal cosmetics. Each and every product of Prakriti Herbals is an outcome of painstakingly researched herbal formulation of Ayurvedic medicine used through centuries and contains an optimum synergistic combination of extracts of various proven herbs,
