Welcome to Prakriti Pure Studios

Prakriti Pure Studios was established in the year 2019 in Maharashtra, India. We are a manufacturer and supplier of Perfumes and Cosmetic products, Lip balm and a lot more. We are committed to giving our clients the best experience through our ingredients and private-label services. "Our private label and contract manufacturing services offer complete assistance from beginning to end. Simply get in touch with our specialist and choose the products you wish to launch. The formulas, packaging, raw materials, and other elements will all be completely handled by us. Our expert designers will help you in choosing the best logos, designs, and material for branding and packaging purposes." Our Core Values We stand by our core values which are “Innovation, International Standards of Purity and Quality, and Growth” through “Dedicated Teamwork, Trust of Partners and Customers, and Impeccable Strategy”. Our clientele consists of over 350 companies who trust us for delivering 100% quality and the best of services every time. • Innovation• Strategy• Growth• High Standards• Teamwork• Trust Our main vision is to expand our realm to the remotest corners of the world by building partnerships with consumers and clients. Our commitment to maintaining long-term associations with companies comes from our confidence in providing quality offerings when it comes to skincare. We are consistently evolving and want to set high standards of purity, quality, and results in the market through our innovative range of products. We believe in maintaining long-term relationships with clients and customers.
