Welcome to Preenal Pharma

Preenal Pharma is a technology and experience driven company in Medicine & healthcare sector with WHO GMP Certified manufacturing UNIT with ISO 9001 – 2015 accreditation and an array of laurels to stamp the quality standards and its QUALITY maintenance. Preenal Pharma has made its presence felt in the Pharma Industry and the trade across the GLOBE for its just one strong trait, that is “QUALITY”. We do strongly believe in extending the healing hands to the suffering human being. Year 2016 was the foundation year of Preenal Pharma when a Dreamer turned his dream to Reality by entering into the Pharma world with BIG vision. Vision was to extend a helping hand to the suffering human being by offering quality products at affordable prices. To alleviate their sufferings / diseases by making products GLOBALLY. The starting point of the long journey was from domestic ethical, contract & institutional businesses. Later on 2000 Preenal Pharma commenced its business widely, the operations received a thumps up welcome due to our commitment for quality ensured by own certified manufacturing facility. Today Preenal Pharma is present in India and the process of adding up the clientele continues and the list is growing rapidly.
