Welcome To Progress Pharma

Progress Pharma was founded in 2004 and over a short period has taken over the pharmaceutical market of Ukraine. By 2007, the company has formed partnership agreements with world-class manufacturers and had been rapidly expanding its global customer base. The marketing structures of Progress Pharma have facilitated the creation of future models, strategies and innovative business processes. By 2014, Progress Pharma has grown into an exclusive distributor in countries such as Ukraine, UAE, Georgia and Kazakhstan. Currently based in India and guided by the company's mission, we continue to develop and improve our global growth strategy by maintaining and further reaching international levels. Our marketing solutions are shaped to meet the demands of our clients to best standards possible, all whilst making a positive contribution to the society. We penetrate the market with our own products, as well as produce flexible regulation of production and sales for our partners. Progress Pharma's priorities are fulfilled demand and concentrated customer- orientated strategies. Promotion of our products occurs at each of the stages – from production of the pharmaceutical products up until the utilization by the end customer. The external marketing of the company entails engaging in multi-faceted market research, analysing competitors' activities and pricing, along with forecasting future preferences of market participants and consumers. Promotion of the pharmaceutical products is conducted by a large team of professionals – medical representatives and division managers. Our dedicated specialists collaborate with a diverse range of doctors, from surgeons to family doctors.
