Welcome to Protech Biopharma Pvt. Ltd.

Protech Biopharma Pvt. Ltd. was established in 2007, with a vision towards Empowering Life and well being, and has rapidly emerged as the premier integrated transnational pharmaceuticals company in India. Its business focuses on manufacture and marketing of pharmaceuticals products and services to clients across the globe, and its product portfolio includes a range of Finished Drug Formulations (FDFs) of Tablets and Capsules. We are a fast growing Indian pharmaceutical company engaged in developing, manufacturing and marketing a broad range of pharmaceutical products globally. Our core strength lies in developing and manufacturing differentiated pharmaceutical products in-house, which we commercialize through our marketing infrastructure across geographies and relationships. The factory is located at SIDCO Industrial Growth Centre, Lassipora, Pulwama, about 35 km from Srinagar in (J&K) India. ProtechBiopharma is dedicated to deliver high-quality and branded medications trusted by healthcare professionals and patients across geographies. We are committed to achieve our vision and mission of becoming an innovation led transnational pharmaceutical company. We engage ourselves towards driving the quality philosophy of the organization and assure that the global standards of cGMP are implemented in form and spirit at every level and during each process.
