Welcome To Psychocare Health Pvt. Ltd.

The Pharmaceutical Industry develops, produces, and markets drugs licensed for use as medications. For this they have a well equipped R&D department. Pharmaceutical companies are allowed to deal in generic and/or brand medications and medical devices. They are subject to a variety of laws and regulations of the government regarding the patenting, testing, pricing and ensuring safety and efficacy and marketing of drugs. The Indian Pharmaceutical industry is the second-largest in the world by volume and is leading the manufacturing sector of India.Our Directors Mr. JAGDEEP SINGH & Mr. SUPREET SINGH, who is gifted with rich skills set to be outstanding in the industry, Thus always keeps the channels open for interaction, which empowers us to understand the customer's needs and to accommodate the excellent range of highly effective products. Their managerial skills have helped the organization to achieve new heights and under his guidance, we have been able to procure a large agglomeration of anti psychotics & hypnotics with ease.We, at Psychocare Health Private limited, distribute all ranges of neuro / psychiatric and cardio diabetic products to our pharma distributors & pharma franchisees. We are also producing an extensive range of the psychiatric products, these products are manufactured under ISO-GMP certified. These are used for the psychiatric patients, for the neuro patients, these products deal with psychiatric disorders. The neuropsychiatric products are available at very competitive prices.We also have a wider variety of General products. General products are highly demanded in the market, so we are also offering a wide range of general products with the world class quality.
