Welcome To Puneet Laboratories Pvt. Ltd.

We are an Innovative Concept Marketing Company, formed in the year 1986 by Late Shri. Lalit Raizada. The company began operations with trading & contract manufacturing of pharmaceutical APIs and Intermediates and later diversified into finished formulations business in the domestic and overseas markets. We have been the pioneers in Chelates & Peptide Chemistry in India. We endeavour to provide innovative chemistry through affordable & high quality healthcare solutions. Constantly improving our quality management systems, cost effective processes & research based formulations. This broadens our product scope across therapeutic segments. Puneet Laboratories have developed innovative product lines to offer in Gynaecological, Cardiovascular, Diabetic, Pediatric and Cognitive conditions. We offer these research based formulations in domestic markets on P2P arrangements to leading pharma marketing companies. We are also in process of introducing select in house speciality brands in Vitiligo treatment, Gastroprotectives, Mouth ulcer treatment, Osteocare and Iron Deficiency Anaemia conditions. The Core competency of Puneet Laboratories lies in innovative chemistry right from Concept development to final delivery. Having a strong quality conscious associate WHO-GMP & GMP manufacturing facilities for bulk and finished products spread across the demographics of Maharashtra and other parts of India, we are efficiently backed up by a team of excellent technocrats & professionals for the development and critical path evaluation of any products we offer.
