Welcome To Puremed Biotech

PUREMED BIOTECH was established in the year 1982 as a sole proprietorship business firm. We have successfully secured our position as a leading manufacturer and supplier of various Pharmaceutical Products as form of Tablets, capsule, oral liquid, injectable, ointment, eye, ear and nasal drop, oral drop, sachet, protene powder, energy drink, tooth paste, mouth wash, dry syrup, cosmetics, weternary bolus, feed supplyment and ectoparasite. Our product range includes Betacarotene & Lutein Capsules, Atorvastatin Tablets, Telmisartan Tablets, Cefoperazone & Sulbactum Injections, Piperacillin & Tazobactam Injections, Lycopene, Manganese & Biotin Syrups, Ofloxacin, Ornidazole & Clobetasol Propionate Creams and Hair

Oils. All these products are formulated using supreme quality ingredients which are procured from trusted vendors of the market. The offered capsules are easy to consume and are free from side effects. Our range of tablets is highly acclaimed for accurate compositions and long lasting effects. The injections that we offer are praised for fast action and safe packaging. We offer our product range in varied formulations and packaging to fulfill all the requirements of the clients. Under the intelligent guidance and excellent leadership of our owner, “Dr. Pratap Mohan”, we are consistently moving on the path of success. His sharp business acumen and excellence in the domain has enabled us to achieve operational efficiency and to serve our clients in the best possible manner.
