Welcome To Rapid Life Drugs & Healthcare

Rapid Life Drugs & Healthcare started its business operation in the year 2014 as a sole proprietorship firm in the industry. We have emerged as a most trustworthy organization of the industry in the past years. We are the manufacture, trader, supplier and distributor of our entire product range from Panchkula, Haryana (India). Our product range includes Pharmaceutical Injection, Pharmaceutical Injectables, Medical Infusion, Aceclofenac Tablets, Oral Suspension, Multivitamin Syrup and many more products range. In the very short span of time, we are counted among the prominent organizations of the industry, providing a wide range of Pharmaceutical Drugs and Medicines. Additionally, we are engaged in rendering unparalleled third party manufacturing. We use different modes of transport like Road, Cargo, Sea and air to deliver us assignments different part of the country. We offer different modes of payments to our clients which make them convenient with our services. Under the wise guidance of our CEO, Mr. Ankuj Khanna, we have embarked on a journey of significant growth and success. He is the guiding force behind every processing of our organization. He practices fair and transparent business ideologies, which allow us to step ahead from our competitors and also help in motivating the company employees. He is passionate and dedicated towards the different processing of the company. Team members of Rapid Life Drugs & Healthcare never compromise with the set parameters of organization. They help us to grow our business by their productive nature. They are able to take on projects independently and can go beyond or above for the sake of success of particular tasks. Our team members are willing to help each other in any task and also our clients by providing them solution for the problems.
