Welcome To Raunak Pharma

Raunak Pharma is now poised to take a leap in to many other segments. Our global mission is to innovate for success. Our Team Every individual in our family has a right to a healthy life. Managed by professionals and with single mission of success for all, the head of the family has established the image of being supportive to each one. Raunak Pharma has travelled this noble cause in to a successful mission by introducing specialized products. Our many brands have already made their mark in various therapeutic segment, with the introduction of latest Psychiatry range. We have done the basic research and committed to introduce the new molecules for better clinical efficacy. Raunak Pharma has emerged as a leader in the haematinic segment. Our entire liquid range is modified with the

international standards in formulation and taste for the benefits to patients.
