Welcome To Rechelist Pharma

Started our operation in 2008, we, Rech Elist Pharma, are Wholesale trader and service provider of Pharmaceutical Drugs. We are offering a wide range of drugs including the Pharmaceutical Syrups, Pharmaceutical Tablets and Pharmaceutical Injections. Utilizing the latest technology machines for formulation, we keep providing the most suitable drugs to our customers. The offered ceftriaxone injections are used to treat certain infections caused by bacteria such as gonorrhoea, and infections of the lungs, ears, skin, urinary tract, blood, bones, joints, and abdomen. To formulate the latest and convenient pharmaceutical drugs for our customers, we are equipped with a sufficient infrastructure. We have divided our infrastructure into various

units to ensure all the processes take place in a smooth way. At our manufacturing unit, we utilize the updated technology to formulate the offered pharmaceutical drugs as per the industry set norms. After being formulated, these pharmaceutical drugs undergo various quality checks to ensure an effective range for the customers. For providing the most suitable drugs consistently, we have been able to cater a huge clientele. Working under the leadership of our mentor, Mr. Gulshan, we have gained a notable position in the markets. His amazing understanding of market has made us able to cater a huge clientele. Backed by his experience and guidance, we are well-appraised by our huge clientele group. To provide a range of latest and advantageous pharmaceutical drugs, we are supported by an efficient team of highly qualified professionals. For the selection of these professionals, we conduct various tests & interviews based on the required skills. They are always in the touch with latest technologies and ready adapt according to that. To enhance their knowledge and skills, we too provide the latest trainings to them over a specified period. Moreover, with a environment.
