## Welcome to ReegSanj Lifesciences Private Limited

As a trusted third-party manufacturer in Solan, Himachal Pradesh, manufacturing Allopathic, Ayurvedic & Herbal, and Nutraceutical products has been our core competency. This WHO-GMP and ISO-certified company believes in quality over everything else when it comes to formulating and delivering any product. Innovative solutions with a promise of excellence and adaptability for the ever-growing changes of healthcare needs are our key focus. Our unique manufacturing facility is equipped with advanced technology, ensuring optimal efficiency with pinpoint precision. We provide reliable and cost-efficient manufacturing arrangements for pharmaceutical brands. ReegSanj Lifesciences follows stringent quality checks to ensure the delivery of safe and efficacious products. Therefore, we have deemed a preferred choice amongst industry experts, as our team of professionals maintains the utmost compliance with global regulatory standards. We aim to satisfy customers by delivering quality products on time at competitive rates. The aforementioned philosophy encompasses all products across the spectrum; tablets, capsules, syrups, powders, etc. This company intends to fill in the gap between quality medicines and affordability with its state-of-the-art manufacturing procedure. The drive for continuous improvement of products is through R&D. ReegSanj Lifesciences is committed to ethical practices and long-term partnerships. We warmly invite pharmaceutical companies in search of a reliable manufacturing partner with a quality focus to collaborate with us.
