Welcome to Rusan Pharma Limited

Rusan Pharma Limited welcomes you to a former end of a settled house of common manufacturing houses for the full spectrum of allopathic products. Latest compliance technology and quality assurance at international standards including WHO-GMP, ensures that products manufactured are safe and effective pharmaceutical items. Rusan Pharma has a variety of formulations ranging from tablets, capsules, injections, and syrups. All these products are customized to meet the varied healthcare provider and patient requirements at large. The well-built advanced facilities of Rusan Pharma make sure that state-of-the-art technology is used for high efficiency and precision in the making of quality products. From the first step to the end of the production, the company ensures that stringent quality measures are followed. Regulations of every global regulatory body are observed. Rusan Pharma concentrates on a partnership with several pharmaceutical brands for reliable contract manufacturing. They have rich experience in several therapeutic segments in both national and international markets. Devotion to innovation and excellence is at the core of Rusan Pharma's performance in serving the changing client needs of the healthcare industry. Rusan Pharma's global reputation for reliability and timeliness makes it the preferred choice among many for third-party manufacturing in the allopathic range.
