Welcome To Sacem Formulations

Sacem formulations India's largest pharmaceutical company, is an integrated, research based, international pharmaceutical company, producing a wide range of quality, affordable generic medicines, trusted by healthcare professionals and patients across geographies. The Company's business philosophy based on delivering value to its stakeholders constantly inspires its people to innovate, achieve excellence and set new global benchmarks.

Continues to aggressively pursue its mission of 'Enriching lives globally, with quality and affordable pharmaceuticals'. Sacem is focused on increasing the momentum in the generics business in its key markets through organic and inorganic growth routes. Growth is well spread across

geographies with focus on developed and emerging markets. It is the Company's constant endeavour to provide a wide basket of generic and innovator products. The Company will also increasingly focus in high growth potential segments like Vaccines and Biogenerics. These new areas will add significant depth to the existing product pipeline.
