Welcome to Sarthak Biotech Pvt. Ltd.

Sarthak Biotech Private Limited is a reputed company wholly involved in pharmaceuticals, nutraceuticals, and Ayurvedic and herbal formulation preparations in differing dosage forms. The company works from Karnal, Haryana, and the year of establishment is 2005. Given its very vast product portfolio, the company's focus tablets, capsules, syrups, and suspensions to dry syrups, protein powders, pastes, shampoos, creams, lotions, face washes, and hand washes-offers a complete solution in health care and personal care. Our manufacturing unit is set up in a very modern way with all advanced infrastructure, a dedicated lab to monitor quality standards, and is located in Karnal District. We believe in innovation for patient care through safe and effective but affordable healthcare products. Under the leadership of Mr. S. C. Vats, director and a man with vision and know-how in the pharma industry which does not seem very healthy economically these days, we foresee newer markets as well as strength for an integrated business in the future. The journey thus has been much enchanted with good fortunes and continues to blossom daily. Strategies from Mr. Vats have greatly fostered this success story. The team consists of qualified professionals and very well-trained quality assurance personnel who ensure that products meet rigid quality parameters. We're quite customer-oriented and ethical two major aspects of our influence in healthcare.
