Welcome to SAVIJ HEALTHCARE PVT LTD

Savij Health Care Private Limited (SHPL): Dynamic and developing health care company establishe in June 2020 and situated in Buxar, Bihar, India. It is a non-governmental organization having not-for-profit but private limited company approach and zeal for delivering highest quality healthcare solutions. The company has been manufacturing, distributing and marketing pharmaceutical products towards enhancing well-being of persons. SHPL not only focuses on innovations and customer satisfaction but even works to provide effective, affordable healthcare options for future market requirements. A dedicated team of professionals ensures that there are nothing short of the best quality and safety in each product manufactured. With the latest technology and industry practices in place, Savij Healthcare is set to broad-base its footprints not just within India but also outside. By its core values of integrity, excellence and compassion, SHPL stands poised to write history in the health care industry. It's about improving lives through its broad array of pharmaceutical and health care products. Its passion inspires accessibility and affordability of health care to all. Since SHPL is quite young in the industry, it commands growing reputation for reliability and trust within the health care sector.
