Welcome to Seamark

Seamark is an emerging pharmaceutical company operated by a dedicated and passionate group of Pharma industry professionals, motivated to serve humanity by making the world a healthier place to live in. The company exists to bring about radical changes in the Indian Pharma industry by closing the gap between expensive medicine and unmet patient needs via enabling access to superior quality affordable medicines available to everyone. The company aims to empower patients manage illness better while enabling our partners to ensure availability of our medicines wherever needed and helping them succeed.
