Welcome to Sehgal Pharma

Sehgal Pharma is a leading pharmaceutical distribution company in North India, established in the year 1998. It has fully computerized network for direct distribution to chemist, dispensaries and hospitals along with dedicated sales management team to ensure the best services for our clients. We deliver in areas as wide as Dadri Secundrabad, Bulandshahar or be it adjoining areas like Noida, Greater Noida, Ramprastha, Vasundhara, Vaishali, Indrapuram, Sahibabad, Crossing Republic Appointed as a distributor for 2 Pharmaceutical companies Mankind Pharma and Alkem, we currently work with 70 plus pharmaceuticals companies. The company due to its professionalism, efficiency and transparency has been able to achieve remarkable sales growth at the rate of 20% plus per year for the last 10 years. The management of the company is keen to make all the pharma, vaccines (Cold chain 2'-8' C), surgical, generics and wellness products available under one roof to cater the maximum number of pharmacies through its distribution network spread across north India. Sehgal Pharma envisions a transformation itself from a traditional pharmaceutical distributor to a fully functional pharmaceutical services provider. It incorporates technological information solutions to imbibe latest pharmacy automation practices in to its operations. The company is also using more collaborative distribution models with the help of external networks (comprising third party services) to enhance its delivery and distribution mechanism The company, with deepest range of experience in healthcare supplies, over-the-counter products, and branded drugs such as capsules, tablets, gels, soft gel, vaccines, ointments, creams, liquids.
