Welcome to Senov Life Science

Senov Life Science is a budding Indian pharmaceutical company with a truly global mindset. Our commitment is to improve the health of patients worldwide through marketing of innovative specialised range of pharmaceutical finished formulations. We pursue robust organic growth. This strategy is complemented by key alliances with exemplary global marketing partners. All our brands are sourced from WHO-approved production facilities in India and are manufactured under stringent quality control regulations. Our focus is on innovating the future through the marketing of new health products and to make them available at all pharmacies worldwide by focusing on our first-class distribution expertise. We strive towards better health for patients worldwide through distinctive marketing capabilities, state of the art contract manufacturing facilities, specialised product portfolio, deep understanding of pharmaceutical regulations, and strong partnerships and affiliations.
