Welcome to Seraphe r Lifecare Private Limited

Seraphe r Life Care Pvt Ltd was established in 2025 in Haryana. A small company with big dreams to help people with good healthcare. We act as traders and wholesalers, so we supply medicines and nutrition products, trusted by the consumers, to hospitals, shops, and patients. To name a few, our products include Ondansetron Injection for nausea, Protein Powder for energy, and capsules like Lycopene and L-Methylfolate for health. Every product we choose undergoes a quality check because health surely is the topmost priority to us. Trust is a lot more valuable to us than the dollars we make. Hence, we want to operate with trust and transparency. We want every customer walking away with a big smile and satisfaction after a purchase. Our company may be new in the industry, but we have a major passion for healthcare. With every passing day, we are learning, growing, and serving more and more people. We wish to spread safe and effective products across various locations in India. Our team is young, enthusiastic, adaptable, and determined to assist clients at their demand. We sincerely believe that every little thing we help with counts so much in an individual's life. For us, good health is not a business: it is our responsibility.
