Welcome to SETT DEY & CO (HOMOEO) LAB

SETT DEY & CO (HOMOEO) LAB came into being in 1919-1920. It is the fruit of a great legacy in the area of homeopathy. It was the pioneer in importing the high-class medicines from Boericke & Trafel Inc., USA to provide top treatment solutions. In the course of time, SETT DEY & CO. has contributed quite a lot to the homeopathic world by publishing many important works of renowned homeopaths, thus propagating the advancement of knowledge in this field. SETT DEY & CO. offers remedies that are effective and rely on the promise of homeopathic treatment, and that is why this company has come to be known for its reliability and expertise. With decades of experience to its credit, SETT DEY & CO. is still a very dependable name in the homeopathic medicine industry.
