Welcome to Shirr

Shirr is a Pharmaceutical Company in Kerala focused on the discovery, development, and commercialization of innovative therapies to alleviate patients' suffering. The belief that access to quality healthcare at affordable prices should be available to every individual has driven us to produce and deliver high-grade medicines at competitive prices. We are a team dedicated to caring for patients suffering from a terminal illness, alleviating the distress caused by life-threatening ailments, providing timely healthcare solutions via effective therapeutics to ensure a healthier life for one and all. Located in Thiruvallam, Trivandrum, today, Shirr Pharmaceuticals is one of the best pharmaceutical company in Kerala. We achieved this remarkable feat by consistently delivering high-quality drugs at an affordable price without compromising on standards or effectiveness.
