Welcome to Siscon India Private Limited

Siscon India, headquartered in Kolkata, is a fast growing pharmaceutical marketing company in India operating since last three decades. Company has its presence in eastern India with wide range of products from adult to Pediatric use, ranging from multivitamins, antibiotics, cough syrup, enzymes, PPI, antacid, dry/liquid injections, etc. Company's core strength lies in quality of its products. And to adhere to its best product quality standards, our all manufacturing partners are WHO GMP approved, with state of art manufacturing facility. We always look forward for growth of our business, employees and all our business associates. And in continuation of that, we always welcome new business opportunities to expand our operation.
