Welcome To SNU BIOCARE

Established in the year 2014, we, “SNU Biocare”, are listed among the prominent organizations involved in manufacturing and supplying a precisely formulated collection of Pharmaceutical products. The offered range is formulated in compliance with the well set medical standards by employing non-toxic chemical compounds, which are supplied by the trustworthy vendors of the market. Further, we employ modern machines, genuine tools and latest methods during the formulation process of these products. Owing to this, offered product range is highly acknowledged in the market for reliability, effectiveness, non-toxicity, purity, precise composition, balanced pH and zero side-effects features. Relying on told attributes, this product range is broadly

demanded in different clinics, hospitals and medical institutions. Additionally, we are engaged in rendering a quality approved assortment of drop shipping services. Based in Chandigarh, Punjab, India, we have constructed an ultra-modern infrastructural setup, which sprawls over a vast area. For the ease of management and control, we have segmented our infrastructure into various departments such as quality control, manufacturing, packaging and administrative, warehousing, research and development and sales and marketing. All these units are equipped well with upgraded machines, tools and equipment that are required for an efficient formulation process of the offered products. The entire machines are frequently upgraded and lubricated to maintain an efficient rate of formulation. We have also established a quality-testing unit where the entire stocks of offered medicines are thoroughly tested on varied parameters to assure effectiveness and zero side-effects. Thereafter, the tested stock is carefully organized at warehousing unit which is featured with all the instruments required for safe storage of these products. Owing to quality-approved medicines, vast vendor base, skilled professionals and sprawling infrastructural unit, we have been able to muster a wide client-base all across the country. Under the valuable guidance of our mentor, 'Mr. Salil Sethi', we have

been successful in scaling new horizons in the industry. His motivating persona, rich experience, managerial skills, in-depth knowledge and fascinating business decisions have helped us to carve a niche for the organization within a very short span of establishment.
