Welcome To Solace Biotech Limited

Solace Biotech Limited “ Touching Lives....Ensuring Smiles...” has started its journey in year 2000 having a mission of total commitment to quality and ethics. SBL is an innovative-driven pharmaceutical company developing a growing portfolio of best in class pharmaceutical products and provides Pharma Franchise Business opportunities as Propaganda Pharma Companies. Solace Biotech is focused on developing new products and new ways to help people manage better health conditions and enjoy more active and more fulfilling life. Eventually, Solace has carved out a distinct place of its own in the ever growing Indian Pharmaceutical Industry as Pharma Franchise Company. The company is

growing with integrity and innovative values. As our company touches the lives of people, we recognize that we have a responsibility to be a good corporate citizen in our communities and to help and preserve the environment for the generations to come. At, Solace Biotech, quality is not a word or a symbol. Quality is the way of life and thus we maintain. We are committed to provide quality and total quality in products, in process, in people and earn place of pride in the pharma industry. We are also known as the leading Pharma Franchise Company providers in India deals in Propaganda Pharma Companies. We get our products manufactured in many units which have state of the art facility for manufacturing in excise free zone of Himachal Pradesh and Uttarakhand. Besides that we have our own loan license at Bhagwanpur, Roorkee. Solace has a modest beginning with a few products and today our product basket is going strong day by day. Our products encircle life, from newborns to aging adults, through medical care and pharmaceutical therapy. Today, Solace Biotech Limited is a fully integrated pharmaceutical company, with an impressive product list inclusive of niche DCGI approved formulations to meet all customer needs. With a pan India presence, our offerings span Non Opioid Analgesic, Muscle Relaxant Tablets, AntiAllergic & Anti Asthmatic Medicines, Corticosteroid

Medicines, Antibiotic Medicines, CNS Tablets, Anti Cold Medicines, Antifungal Medicines, Antimalarial Medicines, Antiemetic & Anti-Ulcerant Medicines, Cough Syrup & Mucolytic, Haemostatic Tablet, Anti Spasmodic Tablets, Diabetic and Cardiac Tablets and Lycopene Antioxidant Medicines On 1st September 2013, Solace Biotech converted in to a public limited company.
