Welcome To Sonika Life Sciences Limited

Sonika Life Sciences Limited, established in 2011 at Manimajra (Chandigarh, India), is a reputed organization that manufactures, trades, exports, and supplies a wide range of pharmaceutical products and surgical instruments. The product portfolio covers dietary supplements; lycopene syrups; B-complex syrups; liver tonics; enzyme syrups; various antibiotics; a range of prebiotic and probiotic capsules; ointments; protein powders; pharmaceuticals injections; and advanced surgical equipment such as suction units, OT LED lights, and vessel sealing systems, all manufactured with quality-approved raw materials and modern technology for durability, efficacy, and end-user satisfaction. Highly sophisticated state-of-the-art infrastructure divided among specialized departments such as production, quality testing, R&D, and administration promotes business processes that run like clockwork. Each of these is studded with state-of-the-art machinery and made up of skilled professionals who operate together as a team to satisfy diverse requirements of clients. Highly skilled and well-qualified personnel are managed under a team of very experienced professionals who pass on their knowledge and skill into this organization with a passion for building safe, reliable products that meet the customer's needs. Sonika Life Sciences is run by a strong philosophy of transparent business practices and customer-focused policy initiatives. Today, this has carved for itself quite an enviable reputation and built a vast clientele across the Indian subcontinent. Further, we cherish the good relations we have with our clients by providing tailor-made solutions according to their requirements. Under the inspiration and guidance of Mr. Vishal Jasuja, our CEO whose expertise and vision drive the organization, growth and innovation, creating unmatched worth

for our clients, are highlighted.
