Welcome to Sovia Altis (Div. Of Gopal Lifesciences)

Established in the year 2008, we, Gopal Lifesciences (unit II), are known in the industry as one of the prominent manufacturers & wholesalers, engaged in offering a wide range of Pharmaceutical Medicines. Our range of Analgesics Medicines, Antibiotics Medicines, and Anti Diabetic Medicines are highly acknowledged for high efficiency at affordable prices. For manufacturing these products, the raw material is sourced from authorized vendors who follow national manufacturing standards and quality benchmark. The company has developed well-equipped manufacturing infrastructure as well as a large team of proficient professionals to successfully satisfy the bulk requirement of pharmaceutical medicines. We as a well-knitted team is committed to leveraging medical science and pooling our great resources to enhance health and well-being at every stage of life. We endeavor to offer access to efficacious, safe and affordable drugs to clients following stringent norms and standards for quality purpose. Our well-versed mentor, Luxmi Sharma (Sales Head), guides us in a proficient manner and helps us to achieve the company goals. Under his able guidance, we have been providing our clients the best of pharmaceutical medicines. With his motivation, managerial skills and extreme knowledge, we have carved an eminent niche for ourselves.
