Welcome to Sunberg Lifesciences

Madras pharma is one of the leading contract manufacturers in India with 8 manufacturing plants in India and 2 overseas. Sunberg Lifesciences Pvt Ltd is the recent venture of “The Madras Pharmaceuticals”, Chennai. It was the vision of our Managing Director Mr. A.M. Sulaiman to establish a manufacturing plant entirely dedicated to the manufacturing of Probiotics and Health Supplements. Sunberg Lifesciences is situated in PIPDIC Industrial estate, Puducherry. Construction of the plant commenced on 24th December 2018 and was successfully completed by 2019. The plant operations were launched in June 2020. With world class equipment’s and Low humidity/low temperature environmental conditions the facility is well suited to manufacture probiotics in several dosage forms all under one roof.
