Welcome to Sunglow Pharmaceuticals Pvt. Ltd.

A group of experienced industry experts with a vision to provide quality, hence contract manufacturing solutions, founded the company in January 2010." The company focuses on the contract manufacturing of oral solid dosage forms for pharmaceuticals and nutraceuticals, with the assurance of quality across the entire spectrum of formulations. With advanced technological manufacturing facilities and stringent quality control measures, we stand committed to providing safe, effective, and reliable products. Our domain expertise, innovation outlook, and customer focus make us a trustworthy partner in the healthcare industry.
