Welcome To Sunways India Private Limited

Sunways was incorporated in 1951 with an unflinching determination and commitment to provide the vital services of Health Care in India. It is a medium sized Pharmaceutical Company, manufacturing and marketing a wide range of formulations in the niche market of Ophthalmology and ENT. Over the last six decades our comprehensive interaction with the ophthalmic faculty in the country through our field staff and senior management, the company has been groomed to manufacture and provide top quality and affordable medicines in the area of ophthalmology. Sunways is today considered the torch bearer in the area of Ophthalmology.
