Welcome to SURAKSHA

SURAKSHA has the Largest and Diverse product basket of 2000+ different Formulations covering Pharmaceutical, Nutraceutical, Cosmetics with fully integrated Manufacturing Facility followed under stringent in-house and Global Audit specifications. As a case of backward integration and to maintain the Quality Standards, we have set up our own Foil Printing Unit, Pellet Manufacturing Unit and Analytical Research and Testing Lab. SURAKSHA keeps on adding Global Clients, New Products, New Boundaries, New Divisions, regularly which speaks of volumes of our long term vision. Quality driven Pharmaceutical, Neutraceutical and Cosmetics group with a Mission to lead the society towards the healthier domain with over three decades and three generations of Experience and Expertise.
