Welcome to T & T Pharma Care

T & T Pharma Care, ISO 9001:2008 certified is a pharmaceutical company established in 1996 to manufacture and export bulk drugs, intermediates and formulations. As a fast growing dynamic company we diversified into the veterinary products in 1999 and started manufacturing Veterinary Pharmaceuticals. T & T is committed to unwavering focus & service quality and is uniquely positioned to serve as the preferred business partner in the pharmaceutical industry. T&T is on the fast track growing at 25% every year. The division is fast becoming a force to recon with in the market with our vast product range. We are constantly broadening our product portfolio to further consolidate our position in the market. Present turnover of company is about $3.5 million & exporting to various regions like Europe, Latin America, Middle East, Africa, CIS & Far East (viz. U.K., Venezuela, Nicaragua, Yemen, Oman, Jordan, Burundi, Rwanda, Congo, Somalia, Mozambique, Madagascar, Angola, Algeria, Mali, Ivory Coast, Cameroon, Azerbaijan & Vietnam).
