Welcome to Tanishka Pharmaceuticals

Tanishka Pharmaceuticals is a WHO – GMP compliance pharmaceutical manufacturing company providing high-quality medicines for a healthier world. The company is renowned for its Contract manufacturing of pharmaceutical formulations as Tanishka Pharmaceuticals is India's largest research-based Healthcare Company. Every day, we strive to develop medicines that are designed to improve the health and quality of life of patients around the world – medicines that are innovative, effective and have a lower risk of reaction and have a superior process of working on the body. We believe in supplying shielded, fruitful and steady pharma products to our customers. Our staff of dedicated employees works every day to ensure quality and overall effectiveness,

and our medicines are making a difference in the lives of millions of customers across the globe. This is surely something we can be proud of! Today, Tanishka Pharmaceuticals stands for quality, competitiveness, and transparency. These ethics have mounted us in an ace slot to carve our appearance in the industry and frame long-term sustainable ties with our partners. We are an emerging pharmaceutical company committed to providing innovative and affordable medicines for a healthier life.
