Welcome To Tansukh Herbals

The inception of service to humanity through Ayurveda started way back in the early 1950's by the honest efforts of Late Vaidya Pt. Brahmanand Sharma. He practiced Ayurveda for over 40 years and provision of pure and authentic medication to the masses was his goal. Fully dedicated towards Ayurveda, this tremendous and unending source of inspiration has been the backbone of the innovative thoughts and ideas developed and implemented by Tansukh team.Satish Kumar Sharma started his endeavors with herbal and ayurvedic medicines at a very early age. Under the disciplined guidance of his father, Vaidya Pt. Brahmanand Sharma, he acquired in-depth knowledge of Ayurveda and inherited the family legacy of traditional Indian system of medicine. With more than 40 years of experience under his belt and an accolade of "Ayurved Ratan", he along with his brother, Mr. Ravi Kumar Sharma, started the dream project of Tansukh Herbals Private Ltd. in the year 1996. He is constantly motivated by the goal of making Ayurveda recognized on the world map. Usage of herbs in the purest form and no compromise in quality are the driving forces behind his efforts to make the right medication available to masses and classes.
